

Household emergency plan

Use this print-friendly outline to collect meeting points, contacts and essential household information. It stays in this browser only when you choose to save it. Avoid putting unnecessary sensitive details into a shared device.

Household members	Meeting place near home	Meeting place away from home
<input type="text"/>	<input type="text"/>	<input type="text"/>
Out-of-area contact	Electricity network / 105	Water company
<input type="text"/>	<input type="text"/>	<input type="text"/>
GP and pharmacy	Stopcock, fuse box and gas meter locations	Pets and vet details
<input type="text"/>	<input type="text"/>	<input type="text"/>

Good place to start (0 of 0).

How this works

The result is a planning aid based only on the values you enter. Check official guidance and adapt it to your household. The estimate does not replace advice from a clinician, pharmacist, supplier or vet.

Useful next steps

- Build a household kit
- Read the power cut guide
- Read about water storage
